In response to applicant's filing dated November 26, 2003. The following action is taken:

Claims 1-55 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior art shows or teaches an overwriting operation on a disk in an Atomic Force Microscope (AFM) device by coding data in successive bits of a value X and separated by at least d bits of the value X where d is a number larger than or equal to r, reading old data to be overwritten to locate at least one excess pit that is not within the r bit position, writing at a respective bit position each bit required to erase each excess pit in the old bit sequence and writing at a respective position each pit required to maintain a pit where x is to be recorded..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. 7099257.

Any inquiry concerning this communication should be directed to NABIL Z. HINDI at telephone number (571) 272-7618.
